MAAM NEL OFFICE

September 10, 2026

HRMS- DTR Portal for 2nd Gen

User Interface – Corrections and Suggestions

- The initial User Interface (UI) form was presented and approved by Maam Nel with some correction list below

1. **Time Log**

A. Add an **alert notification** when the user Time **In** or **Out** if there is already an existing **In Office request**.

B. The notification should inform the user that an **In Office request has already been submitted** to avoid duplicate requests or entries.

1. Calendar

A. Display **Holidays** and **Days Off**.

B. Display the **Total Hours** worked.

C. **In Office** – display in **Orange**.

D. **Out of Office** – display in **Blue**.

E. **Leave / Requested Leave**:

- **Paid Leave** – display in **Green**.
- **Unpaid Leave** – display in **Violet**.

2. Calendar-Hourly Form

A. Add the **Date and Time Submitted** fields.

B. Ensure the time display follows the correct sequence. For example, if **8:59 AM** is selected, the next available time should be **9:00 AM**.

C. Display the **Lunch Break** period.

2. Geo Tag- Test Sample everywhere if it is accurate

- Already informed Ma'am Nel that Geo-Tag system testing can be conducted once the system has been finalized and uploaded to the Live Portal.

3. Leave Request

- The **date range should have a default value**, while still allowing the user to by range or Hourly Request

A. Medical/Sick Leave

1. The request may be filed **in days or hours**.
2. Medical/Sick Leave should be classified as **non-deductible**.

B. Medical Assistance Leave

1. The request may be filed **in days or hours**.
2. Medical Assistance Leave should be classified as **non-deductible**.

C. Government-Mandated Leave Benefit

1. The request may be filed **in days or hours**.
2. Government-Mandated Leave Benefits should be classified as **non-deductible**.

D. Approved Personal Leave

1. The request may be filed **in days or hours**.
2. Approved Personal Leave should be classified as **deductible**.

Other

1. **Presentation Date:** September 15, 2026
2. **System Logo:** Change the system logo/name to **AGC HRMS Portal**.
